ASSIGNMENT

WHEREAS, United Parcel Service of America, Inc., a corporation duly organized under the laws of the State of Delaware, and having its principal place of business at 55 Glenlake Parkway, NE, Atlanta, County of Fulton, and State of Georgia 30328, is the owner of the applications and issued Letters Patents shown on the attached Schedule A, and the inventions illustrated and described therein; and

WHEREAS, UPS Aviation Technologies, Inc., an Oregon corporation, having a place of business at 2345 Turner Road SE, Salem, Marion County, Oregon 97302, is desirous of acquiring the entire right, title and interest in, to, and under said invention, said applications, and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, including consideration previously transferred, the receipt and sufficiency of which is hereby acknowledged, United Parcel Service of America, Inc. has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto said UPS Aviation Technologies, Inc., its successors and assigns, the full and exclusive right, title and interest, throughout the world, in, to and under said inventions as fully set forth and described in the documents listed in Schedule A attached hereto; in, to and under said applications; in, to and under any and all refilings, divisions and continuations of said applications; in, to and under said issued Letters Patents of the United States of America and any and all Letters Patents which may issue from said applications, refilings, divisions and continuations; in, to and under any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for said Letters Patent upon said inventions which may hereafter be filed in any and all countries foreign to

the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said UPS Aviation Technologies, Inc., for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and United Parcel Service of America, Inc. does hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.

EXECUTED this 22nd day of August, 2003.

United Parcel Service of America, Inc.

By

Name: Cathy A. Harper

Title: Assistant Secretary

STATE OF GEORGIA

)

) ss.

COUNTY OF FULTON

)

On this 22nd day of August, 2003, before me appeared Cathy A. Harper, to me personally known, who by me was duly sworn, and acknowledged that she is the Assistant Secretary of United Parcel Service of America, Inc., and that she executed the foregoing Agreement on behalf of United Parcel Service of America, Inc.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal at my office in Atlanta, Georgia, the day and year above written.

My Commission Expires:
June 29, 2004

Lluviscela Hollingsworth
Notary Public
